HEALD'S

School of Mines and Engineering

SAN FRANCISCO, CALIFORNIA
STOCKTON, CALIFORNIA

CIVIL AND MINING ENGINEERING

This department has been established to meet the demand for thorough instruction in mining and surveying that will be shorter than the university course of four years. The plan adopted, therefore, is to **specialize** so that those who wish can take up one subject only or as many as may be deemed advisable. Six months devoted exclusively to mining engineering will give the average student a full **practical** knowledge of the subject.

Any course or group of studies may be selected.

The CIVIL ENGINEERING COURSE includes: Geometry, Trigonometry, Draughting, Strength of Material, Surveying, etc.

The MINING ENGINEERING COURSE includes: Assaying, Blowpipe Analysis, Mill Construction, Milling, Mining, Geology, Mineralogy, Economic Geology, Surveying.

The METALLURGICAL COURSE includes: Chemistry, Assaying, Metallurgy, Calorifics.

AUTOMOBILE ENGINEERING

For those who desire to receive a practical knowledge of Automobile Engineering, this course provides in the shortest possible time, a practical knowledge of any gasoline automobile.

ELECTRICAL ENGINEERING

The study and work in this department cover all the modern applications of electricity. The course is so condensed and divested of superfluities as to bring it within the time limit and means of the average young man who has to make his own way in the world.

The department is thoroughly equipped with Dynamos, Motors, Measuring Instruments, Wiring Appliances, Wheatstone Bridges, Telegraphic Instruments and Appliances, Electro-Medical Apparatus, Galvanic and Storage Batteries of all kinds, Fluoroscopes, X-ray closet and a large laboratory.—**Send for Special Catalogue of this School.**

NIGHT SCHOOL

To accommodate a large class of patrons who are unable to attend the day sessions, evening classes are conducted in all the departments the entire year. All the facilities and advantages of the day sessions are provided for these classes; the same studies, the same method, the same practical work. The instruction is individual, and every attention is given to those whose education has been neglected.

Business Houses needing Bookkeepers, Stenographers, Typewriters, Cashiers, Clerks, Foreign Correspondents, Telegraphers, Electricians, or Clerical Labor of any kind, can be immediately supplied.

MILLS COLLEGE

The only College on the Pacific Coast exclusively for young women. Chartered by the State of California and controlled by a strong Board of Trustees.

It is no longer necessary for the young women graduating from our high schools to go to the distant east in order to attend a first class College for women.

See Other Side

MILLS COLLEGE

THE oldest and best equipped College on the Pacific Coast exclusively for young women. Chartered by the State of California and controlled by a strong Board of Trustees. A four years College course leading to degree. Entrance requirements to Freshman class the same as at Stanford or the University of California. ¶ Special advantages for advanced work in Music, Art, and Domestic Science. ¶ Excellent appointments. Grounds comprise 150 acres. Situation and climate unsurpassed. Four miles from Oakland. ¶ Fall semester opens August 12, 1908. For catalogue and information address, President of Mills College, Mills College Post Office, California. ¶ To reach Mills College from Oakland, take Haywards electric cars from Twelfth and Broadway, at twenty minutes past the even hour, and transfer to Mills College electric cars at California Railroad Junction, or take Oakland local train at 34 min. past the even hour, to Sather, there change to Mills College electric cars. From San Francisco, take Oakland broad gauge boat, even hour, and Oakland local to Sather; change to Mills College electric cars.

THE NAUHEIM SANITARIUM

DRS. MAXSON, MANAGERS

470 28th Street, Between Telegraph and Broadway, Oakland, California

TEL. OAKLAND 4732

THE Nauheim Sanitarium is a new building admirably located in the heart of Oakland. It has large, airy rooms with private bath when desired. Steam heat, telephone in rooms, with all the comforts of a modern home ¶ In addition to the regular lines of medical and surgical treatment, the Nauheim Sanitarium makes a specialty of

HYDROTHERAPY
ELECTROTHERAPY
and MECHANOTHERAPY

¶ The treatment rooms are modern and equipped for every phase of treatment. A number of gentlemen and lady masseurs are always in attendance ¶ Nurses furnished on application ¶ These advantages, with a liberal and carefully regulated diet, make the Sanitarium a place admirably adapted for the refreshment of those who need rest and specially the building up of those who are debilitated by the various Chronic diseases. All cases are received that are orderly and non-contagious ¶ ¶ ¶ Prices reasonable

J. R. BROWN, *Superintendent*
MISS F. POSTEL, *Secretary*

OFFICE IN THE CREMATORIUM BUILDING

Howe and Mather Streets, Oakland

Visitors always welcome between the hours of 9 a. m. and 5 p. m.

ELLA WHEELER WILCOX:

"I heartily approve of cremation. In the first place it is cleanly; in the second place, it is economical. It helps along nature. The body must eventually turn to dust, and why not turn it to dust by cremation rather than have it decompose in the ground?

"Then again, the increase in population, and consequently death, must render this mode of disposing of the dead eventually necessary."

Outside view of the new Columbarium, which has recently been completed at an immense cost.

One of the finest Columbariums in the world for the reception of ashes. The building is a model of its kind and is as beautiful as money can make it. Thousands of niches are for sale for the benefit of those who wish to have a perpetual resting place for the ashes of their dead, amid appropriate surroundings. Flowers and shrubs are there in abundance to make it as attractive as possible, and resting places are fitted up throughout for those who come to visit.

Oakland Cremation Association

GENERAL INFORMATION

Our telephone number is Piedmont 1288.

Application for incineration must be made at the Office of the Secretary, or else through any undertaking firm, who will make all necessary arrangements.

The entire cost of incinerating an adult.....$30.00
Of a child from 5 and under 15 years of age..... 15.00
Of infants from birth and under 5 years of age..... 10.00

This includes use of Chapel, organ, and services of organist when desired, and a copper receptacle for the ashes.

While incinerations may be set at three hours' notice, to avoid confusion application should be made not later than one day before the time at which it is desired the incineration shall take place.

Address all communications to the Secretary.
